PRIORY GROVE

BY CROUDACE HOMES,
ST FRIDESWIDE, OXFORD

A new development of high specification energy efficient 3 & 4 bedroom homes, including 1 & 2 bedroom apartments and five serviced self-build plots just north of Oxford, conveniently located for Oxford Parkway Railway Station.

A UNIQUE LOCATION

In an area rich in history, St Frideswide is located in a convenient and commutable distance from Oxford. Priory Grove will offer a variety of 3 & 4 bedroom homes, including 1 & 2 bedroom apartments and five serviced self-build plots to the north of the city.

RICH IN HISTORY & CULTURE

Frideswide was the name of a Saxon princess and healer who became the Patron Saint of Oxford. Her name means 'Peace' (frithes) and 'Strong' (withe). Frideswide established her own church during the 7th century, however this was destroyed in 1002, in the St Brice's Day massacre. In place of this, St Frideswide's Priory was built and dedicated to her. This Priory was the basis for which Cardinal Wolsey (chief advisor to Henry VIII) founded a new college in Oxford, which is now known as Christ Church.

The name Priory Grove is named after St Frideswide's Priory, with the icon inspired by the ceiling architecture at Christ Church.

Oxford is recognised for its prestigious university which attracts visitors from all over the world who come to study and see its many colleges. The historic centre has buildings that date back centuries and is easily accessed via established park and ride schemes. The rivers Cherwell and Thames run through Oxford.

The University of Oxford is steeped in history dating back to the late 11th Century. In 1167 Henry II banned English students from attending the University of Paris therefore rapidly growing the number of students attending University of Oxford.

Many of the early Harry Potter films were filmed in the University. The Bodleian Library was used as Hogwarts Infirmary and library. New College Cloisters was used in a scene in Harry Potter and the Goblet of Fire, while the dining hall and staircases of Christ Church feature in several of the films.

A LOCAL WAY OF LIFE

St Frideswide is conveniently located just under a mile from Oxford Parkway Station. Close by are the first-class facilities of North Oxford Lawn Tennis Club and North Oxford Golf Club. Head south and you'll see the stunning architecture of the 'Spires' that form one of the world's most iconic backdrops. The handsome buildings that comprise the University of Oxford, including The Radcliffe Camera and Christ Church Cathedral, along with the Oxford Castle and Prison lend a medieval air to the western side of the city. Not to be missed is Port Meadow where 440 acres adjacent to the River Thames provide opportunities to walk, cycle and swim. Cutteslowe & Sunnymead Parks are other great open spaces with a variety of sports and play areas.

A PLACE TO **EXPLORE**

The St Frideswide area is waiting to be explored. Let the River Cherwell be your lead, taking you on a meandering journey through some of Oxfordshire's best loved landscapes. Riverside walking paths, such as through Kidlington, let you see life from a new perspective as you pass through the tiny hamlet of Thrupp, glimpse the narrowboats on the Oxford Canal and admire the many Grade II buildings in Steeple Aston village.

Summertown shops

History is well preserved across the county and one of the finest examples of English Baroque architecture is Blenheim Palace. Serving as the seat of the Duke of Marlborough and the birthplace of Sir Winston Churchill, Blenheim Palace is a lavish residence also captured on screen as the location for the TV show, Bridgerton.

For a completely different vibe, Oxford provides a fantastic selection of retailers and a wealth of dining options to explore. Westgate Shopping Centre is a lifestyle destination brimming with independent boutiques and prestigious global brands. The shopping centre is complemented by more than 20 restaurants, bars and cafés, including a stylish roof bar and street food options, a gym and cinema. Within the City there are markets and open air stalls on Wednesdays, Thursdays and Saturdays, selling everything from antiques and flowers to food and drink.

The Clarendon Centre is a popular alternative with high street names and family favourites. Or why not head out of town to Bicester Village for luxury designers and fine dining? Whatever you are looking for, be it retail therapy, dining out with family or a drink with friends, Oxford and the surrounding areas have everything you need.

Cycling is an ever-popular method of transport in Oxford. Just a few minutes from St Frideswide you can find transport links, open spaces and local amenities. Pedal a little further and you will reach the culture and history of the city centre in less than 20 minutes.

Get into Oxford City Centre in 15 minutes by bus! With a stop right outside the development operating every 10 mins on various routes.

A short 15-minute cycle ride away from Oxford City Centre.

0.7 miles to the nearest train station, which will get you into Oxford City Centre in 6 minutes, direct to London in just over an hour and Bicester Village in 8 minutes.

A PLACE TO CALL **HOME**

Priory Grove by Croudace Homes is an elegant blend of contemporary exteriors with generous modern living spaces. Our customers are at the heart of what we do. At Croudace we understand the importance of putting your stamp on a new home. A Croudace home can be tailored to your taste with a range of options, including wall colours, fitted furniture, tile style and colour and wardrobe glazing finish.

Our dedicated Sales Consultants are on hand to offer guidance regarding personalised choices.

The availability of these options is dependent on, and subject to, the stage of construction at the time the house is reserved. Ask our Sales Consultants how we can help you turn your new Croudace house into a home.

DESIGNED AROUND NATURE

Outside space lies at the heart of St Frideswide, with over 20% of the development given to open space. Careful consideration has been given to how the homes blend in with their locale, and how residents can make a positive contribution to the environment just by choosing a home at Priory Grove.

Vibrant and distinct character areas within the landscape scheme celebrate their natural attributes while at the same time creating a beautiful natural setting for the homes, creating one cohesive place that sits in harmony with its surroundings.

Sustainability features

- Integrated PV solar panels on all houses
- Electric vehicle charging points to all homes
- Approximately 228 new trees planted
- 900m of new native hedgerow planting connecting to existing hedgerows
- Over 2000sqm of new wildflower planting
- 3 play areas including a 100m long central community park with play area and pagoda
- Ecological enhancements throughout the site including hedgehog fencing, bird/bat boxes, hedgehog domes and bug hotels

Priory Grove CGI street scene

HELPING ALL OF LIFE TO **FLOURISH**

A wealth of wildlife calls Priory Grove home. The landscape in and around the development has been enhanced with mature planting and preservation measures have been implemented to safeguard local wildlife populations. These improvements are designed to integrate into the existing habitats at Priory Grove and create a framework that ensures that local flora and fauna can thrive.

SUPPORTING NATURAL HABITATS

Bird boxes for different native species will be installed across Priory Grove, while hedgerows have been enhanced to provide shelter for ground dwelling birds. These hedgerows will also serve as 'habitat piles' for local reptiles and amphibians. To enable basking spots to remain open and accessible, grassland areas sown with wildflowers will be cut back on a regular basis.

For bats, trees with roosting features have been preserved and bat boxes introduced. Bat tubes with integrated wooden perches are to be built into the external walls of homes, while lighting reduction measures have been reviewed and approved by a licensed bat ecologist.

For hedgehogs, specialist fencing has been installed with holes large enough for hedgehogs to pass through, allowing them to roam freely. Hedgehog domes provide a safe home for breeding and hibernation. Bug hotels are located around Priory Grove, encouraging a variety of insects to visit, helping to pollinate plants and boost biodiversity. These ecological enhancements alongside our homes, create a home for you and nature in an exceptional setting.

GENERAL DEVELOPMENT LAYOUT

Each home within Priory Grove is considered in design, generous in proportion and gives peace of mind with the distinctive high quality specification and service offered by a Croudace built home.

CAREFULLY DESIGNED IN EVERY WAY

Every house and most apartments have **underfloor heating** throughout the ground floor with smart thermostat.

Designer Kitchen supplied by Omega Kitchens.

Contemporary elevation features have been incorporated to fit in with local existing developments.

There are 3 well equipped play areas. The central linear community park is over 100m long, featuring play equipment, wildflowers and a community pergola.

ENERGY EFFICIENT NEW HOMES

According to research by the House Builders Federation (HBF) the average new build home is **64% more energy efficient, saving an average of £2,207** on household bills each year.

New build homes also emit 61% less carbon than older counterparts, cutting annual emissions by 2.16 tonnes per property.

Buying an energy efficient new build home helps to reduce carbon emissions and saves you money.

Croudace homes feature a variety of energy saving features as standard, such as:

- Double glazed PVCu windows and French casement rear doors with low emissivity glazing to reduce heat loss.
- The insulation levels in floors, walls and roofs achieve U Values better than those required, therefore reducing the heating demand of the home.
- Efficient Mechanical Ventilation with Heat Recovery (MVHR) in all our houses, for low running costs and to improve the internal air quality.
- Low or zero carbon technologies, such as PV Panels on all houses and external Air Source Heat Pumps (ASHP) units in all gardens transferring heat from outside air to heat rooms and provide hot water internally.
- Zoned heating systems to control the temperatures throughout our homes with underfloor heating to the ground floor and low energy radiators to the upper floors. Electric towel radiators are included in Bathrooms and En Suites.
- Combined Mechanical Ventilation with Heat Recovery (MVHR) and Air Source Heat Pumps (ASHP) in our apartments.

Croudace homes also come with two years of customer care from our expert in-house team and a 10 year NHBC warranty.

To find out more about our energy efficient new homes, contact the Sales Consultants at Priory Grove.

*Data from HBF Watt a Save - Energy efficient new homes August 2024 report

<https://www.hbf.co.uk/policy/wattasave/>

DEPOSIT UNLOCK

Deposit Unlock is a new scheme that enables first time buyers and existing homeowners to purchase a new build home up to £750,000 with a 5% deposit, subject to their lender's criteria.

Deposit Unlock is a new house building industry led scheme devised in collaboration with mortgage lenders.

THE BENEFITS

- You can access low deposit mortgages at competitive interest rates
- You can buy a new home with a 5% deposit and a 95% mortgage up to £750,000
- It opens the new build market to more borrowers who do not have access to large deposits

WHO IS ELIGIBLE?

- First time buyers and existing homeowners
- Applicants must be able to provide a minimum deposit of 5% of the purchase price of the new home

HOW DOES IT WORK?

- Speak to one of our Sales Consultants to find out which developments or plots are available for a Deposit Unlock Mortgage
- You will need to be qualified by an Independent Financial Adviser to find out if you qualify for the scheme
- Once qualified, if your plot is available and eligible under the scheme, and you chose to use this scheme, our Sales Consultants will issue a Confirmation Letter to you with a unique reference number
- The Confirmation Letter must be presented to a participating Lender in order to apply for a Deposit Unlock Mortgage. Once you have applied for the scheme it will be subject to their approval
- When your application has been approved you can then reserve your new Croudace Home, it's that simple

THE BENEFITS

- NO Agent's Fees
- NO Stress
- NO Chain
- AND a guaranteed purchaser for your home

HASSLE FREE SERVICE

- Your existing property should be within one of our operating areas
- Your existing property should have an estimated value that is no more than 70% of the value of the new home you are buying from us
- Your existing property must not be a flat or conversion
- Part Exchange with Croudace Homes cannot be used in conjunction with other offers

PART EXCHANGE

Our Part Exchange service has helped many families move into their brand new Croudace property without the stress of selling their previous home.

The service we offer is totally free, and what is more, leaves you with time and energy to concentrate on the more enjoyable side of moving – making plans for your new home. At Croudace Homes, we pride ourselves on our flexible approach, so if you do not meet all the criteria, do not give up hope! Our Sales Consultants are always on hand to help whenever possible.

A COMMITMENT TO QUALITY

OMEGA PLC

Ideal Standard

AQUALISA

Croudace Homes takes great pride in providing our customers with expert advice and guidance to ensure that every stage of the home buying process is as clear and straight forward as possible.

Adrian Watts,
Group Chief Executive

We regularly seek feedback from customers who have bought and moved into their Croudace home and use what we learn alongside research we conduct into changes in lifestyles to ensure our designs are continually enhanced and improved.

Ecological and environmental aspects of construction are of the utmost importance and are at the forefront of all our designs, as well as the entire build process. Croudace homes are designed to maximise energy efficiency and minimise their impact on the local environment.

Croudace Homes is uncompromising in its commitment to providing customers with the highest quality homes and peerless after-sales care. We are proud to receive excellent ratings from independent customer satisfaction surveys, which place us amongst the finest home builders in the country.

We understand that buying a home is one of the biggest decisions one can make, which is why we aim to simplify the process as much as possible. We hope you decide to buy a Croudace home and wish you many happy years living in it.

Evening Standard
NEW HOMES AWARDS 2023
HIGHLY COMMENDED

5 STAR AWARD WINNING HOME BUILDERS

Croudace Homes is delighted to have been awarded an HBF 5 Star Home Builder Customer Satisfaction Award for the twelfth year running. More than 9 out of 10 of our customers would recommend our homes to their friends.

The contents of this brochure have been produced in good faith. Architectural details and elevational treatments, including window or porch styles and positions, may vary from those shown; bay windows are plot specific.

All dimensions are approximate. All imagery, including trees and landscaping, are illustrative. Please check with one of our Sales Consultants for detailed information regarding your chosen home style and/or plot. We continually review the specification of our product and reserve the right to amend it. Although it is our intention that information given regarding garages, car ports and parking is truthful, these aspects are subject to change as Priory Grove progresses. This brochure does not form part of any contract or constitute an offer.

Date of Preparation February 2025.
